Emergency Services

The Service

Grundon offer a 24 hour emergency response service equipped to deal with almost any incident. A comprehensive range of equipment is available to a team of fully trained personnel. All personnel attending incidents are qualified academically, as well as having many years of practical experience and training. They also have extensive knowledge of the legislation governing the transport and disposal of dangerous goods and special wastes.

Guaranteed Equipment

- Gas tight, encapsulated, chemical resistant and coverall suits.
- Sabre Contour breathing apparatus and a range of full face and half mask respirators.
- A full range of absorbents, drain protectors and drum plugs.
- A variety of surfactant, solvent and solvent free cleaning agents.
- Electric and manual pumps.
- Lighting consisting of Halogen floodlights and Clulite 'Smartlight'.
- A full range of overdrums.
