

One of the largest privately owned waste management companies in the U.K. with interests in waste collection, treatment and disposal, mineral extraction and leisure, Grundon has a reputation for innovation which combines quality of service and technological progress with concern for the environment. We are now looking for:

Hydroclave Operators X2

Based at Knowl Hill Nr. Maidenhead

We are now looking for two people to join the team at Knowl Hill to ensure the smooth operating of the hydroclave, including operating forklift trucks, maintenance and general duties around the plant.

Working 45 hours per week from 7am to 5pm, Monday to Friday, the successful candidates will be required to load and unload vehicles, operate machinery, segregate waste, clean bins and carry out repairs where necessary.

No previous experience is required for either position as full training will be given, although previous experience of operating machinery/plant would be a distinct advantage.

We offer good rates of pay and benefits, including contributory pension scheme, Company sick pay (after qualifying periods), and free work wear.

If you are interested and feel that you have the necessary skills please apply by downloading an application form and sending: Megan Hunt, HR Administrator, Grundon Waste Management, Goulds Grove, Ewelme, Wallingford, Oxon OX10 6PJ or email to personnel@grundon.com
