

One of the largest privately owned waste management companies in the U.K. with interests in waste collection, treatment and disposal, mineral extraction and leisure, Grundon has a reputation for innovation which combines quality of service and technological progress with concern for the environment. We are now looking for a:

Technical Assessor/Internal Sales

Based at Ewelme Nr. Wallingford

The role will involve working as part of the sales team to support field sales and customers with technical assessments, general enquiries and quotes for the management of hazardous and difficult wastes in line with all legislation and company procedures.

The ideal candidate will have previous experience working directly with the management of hazardous waste and have a background in chemistry (or be willing to train further in this area), as well as being a clear and confident communicator who is able to demonstrate a high standard of enthusiasm and professional customer service.

Please refer to the job description on the website for full details on the role requirements.

If you are interested and feel that you have the necessary skills please apply by sending a CV and covering letter (detailing your current salary) and attaching an Equality & Diversity Monitoring Form (available from our website) to Grundon Waste Management, Goulds Grove, Ewelme, Wallingford, Oxon OX10 6PJ or email to personnel@grundon.com
